The first batch of HK Tech Tiger students are ready to become future leaders at City University of Hong Kong (CityU).

In this video, we present the life-changing story of a CityU student from Kyrgyzstan called Zhandarbek Abylkasymov who suffered a serious illness when he was a child.

He is determined to use the advanced medical knowledge and technology that he is exposed to at CityU to help patients back in his home country. At CityU, he can learn from world-class professors, participate in HK Tech Tiger entrepreneurship workshops, meet elites from different fields, and establish his own future career plan.

Let the world hear you roar!

香港城市大學（城大）首屆「HK TECH老虎班」學生已經準備就緒，在成為明日領袖之路上展翅翱翔。

今次短片的主角是來自吉爾吉斯、童年時患病的學生Zhandarbek Abylkasymov如何改變人生的故事。

他矢志把在城大見識到的先進醫療知識和技術帶回祖國，回饋病人。在城大，他可以跟隨世界級的教授學習，並透過參加HK Tech Tiger的創業工作坊，認識不同創業精英，確立他未來事業發展方向。
